

## RESPECT THE RAIL

Be smart. Be safe. Be ready.

### Park Vehicle Within The Lines To Avoid Ticketing & Towing

This means no portion of the vehicle should touch the streetcar tracks or encroach beyond the white line that runs alongside the tracks.

This applies to all vehicles, including delivery vehicles, U.S. postal vehicles and emergency vehicles.

As per City Ordinance 150406, vehicles that park outside of the white lines and/or illegally double-park on the streetcar tracks will be subject to ticketing with fines up to \$500, and possibly towing.
