

September 28, 2017

The Honorable Elaine L. Chao
Secretary of Transportation
U.S. Department of Transportation
1200 New Jersey Avenue, SE
Washington, DC 20590

Dear Secretary Chao,

The purpose of this letter is to emphatically support the Transportation Investment Generating Economic Recovery (TIGER 2017) Grant Application for multi-modal connections to Kansas City's Berkley Riverfront.

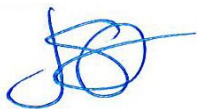

Copaken Brooks is a commercial real estate company located in downtown Kansas City, Missouri. This project is of particular and vital interest because it adds a commuter interface for transit and parking solutions for businesses in the entire central business corridor, connects more residents and clients translating into greater revenue for downtown businesses.

Connecting Our Riverfront for Everyone is a superb example of a project that supports the long-term national goals that have been established by the TIGER Grant program and by the call for Public Private Partnerships (P3) by the Trump Administration. In developing this project, the City has demonstrated a "can-do" attitude in all of its efforts and has been unwaveringly committed to an accelerated expansion of successful 2016 RideKC Streetcar. The Kansas City Streetcar Authority, Port Authority of Kansas City, MO (Port KC), and the grant Applicant the Kansas City Area Transportation Authority are teamed up and on schedule to deliver a half-mile extension of Kansas City's successful 2016 Streetcar Starter Line Operations by 2021.

Enthusiasm for the project has never been a question as the local capital funding for this project will be born 100% by Port KC and the private developers who are building projects now and in the future on the 120-acre Berkley Riverfront. The half-mile project is a natural extension of the initial KC Streetcar and bridging to the riverfront will allow for more integrated recreation, bike, pedestrian, parking, and commuter options for the system and will moreover provide over 50 acres of development-ready ground to the existing system for economic development.

Sincerely,

COPAKEN BROOKS, LLC

Jon Copaken
Owner & Principal
