

Project Updates

Track:

- Outside lane placement was selected based on technical considerations and public feedback from previous public meetings.
- The Pershing to 27th, and 45th to 51st segments have been refined.

Funding:

- Applied for federal rating and funding; approval is pending.
- Local funding through the Transportation Development District has been approved.

Environmental Assessment (EA):

- An EA has been submitted and potential environmental impacts have been identified.
