WHAT IS 816 DAY?
In 2018, KC City Council passed a resolution making August 16 Kansas City’s newest holiday. It’s that special day in August when the date and our area code coincide and is a celebration of all things KC.

WHAT’S IT ALL ABOUT?
Celebrate 816 Day between August 9 - 16, 2021 with a friendly game of Bingo. Discover new destinations and revisit old stomping grounds around downtown Kansas City and along the KC Streetcar route. Destinations include downtown businesses, restaurants, artworks, landmarks, and the KC Streetcar.
